Golf Club Closure 31st March 2013

It is with regret that we have to inform you that as from 31st March the golf course will be closing completely.

After reviewing the financial information for the last year the owner has made the decision to close the business as the club has been operating at a considerable loss.

When the club was purchased it was known that it was not profitable but the losses have magnified and are now to the extent that it is no longer a viable business to attempt to turn around.

Any funds held in your club or tuition account as at 31st March will be refunded.

No cash refunds will be available in the club house. All refunds will be processed within 7 days of the closure directly into your bank account.

A form will be available at the club house to provide your bank details and will be stored securely. Once the payment has been processed all forms containing the bank information will be shredded.

If you prefer a refund by cheque please note this information on the form.

Thank you for your patronage and we wish you well in your future golf club.
